Temporär Jobregion: Kaiseraugst Stellenprozent: 100%

Beschreibung

As a first-tier supplier to our renowned business partner F. Hoffmann-La Roche Ltd. in Kaiseraugst, we are currently looking for a motivated and dedicated **Material Planer** for a temporary assignment of 12 months.

The Materials Management Organization is a cornerstone of the Production Site Kaiseraugst including the management of production planning, detailed scheduling, materials planning and master data.

As a Material Planner you are playing a crucial role in our Planning Community and the site in general to ensure reliable and robust supply out of the largest Drug Product Manufacturing Site within the Roche network. In this role, you will plan and manage a broad portfolio of primary, secondary and/or tertiary packaging materials, process aids and excipients, ensuring continuous availability towards an optimized production schedule for Sterile and Packaging Manufacturing operations..

Tasks & Responsibilities

- Ensuring that our manufacturing units are adequately supplied with direct materials such as packaging materials, process aid and production-supporting auxiliary materials
- Inventory management and definition of risk mitigation actions - as well as defining and implementing measures for efficient processes (management of safety stocks, process optimisation, risk analysis)
- Point of contact for all related suppliers regarding deliveries and tracking of purchase orders
- Maintain effective communication among all business partners (e.g. Manufacturing Units, Procurement, External Suppliers, Master Production Scheduler, Detailed Schedulers, Quality, Warehouse, Logistics, etc.)
- Actively drive continuous improvement processes, challenge/question the status quo and collaborate on projects within Materials Management in cooperation with internal and external stakeholders
